

Walkers,

This is the proposed schedule of walks for December 2021.

For now, we will continue to meet at the trailheads:

- Walk leaders will be signing walkers in at the trailhead.
- To facilitate carpools, for those who cannot (via the Walker Roster) arrange a ride to the trailhead, you may meet in front of the Senior center at about 9:30 AM. Those, and ONLY those, who are **comfortable** having others ride in their car may also go by the Senior Center first to pick up anyone waiting for a ride. Please allow enough time to get to the trailhead by 10 AM.
(Unfortunately, rides cannot be guaranteed at this point.)
- The Senior Center still requires masks inside the Center. Masks for our walks outdoors will be optional. Please respect other people's requests for personal space/social distance.

Things that will stay the same:

- Walks are planned for every Tuesday and Thursday mornings at 10 AM.
(Arrive early to sign in.)
- Walks last approx. 1 ½ hours
- Please stay with a partner on designated trails
- Most walks contain dirt trails which are not conducive for portable walkers
- ***Each Walker Must Be a Member of BSAC***

If you would like to be the lead one of these walks, please let me know.
We would like to get back to having more people participate in coordination of the walks.
