

Dear Community Partner,

We would like to offer the opportunity to have your business or organization represented at *“What’s Next: Exploring your Medicare Options”* to be held at four Whatcom County Senior Centers during the month of October 2026. These events are free and open to the entire community.

October 2 – Bellingham Senior Activity Center

October 9 – Blaine Senior Center

October 16 – Lynden Senior/Community Center

October 23 – Ferndale Senior Center

Timeframe for each event is 10:00am to 2:00pm.

The Medicare Annual Enrollment Period is October 15 to December 7. This is the perfect time for those with Medicare to re-evaluate their current plans and decide if they are getting the coverage they need. During the Open Enrollment Period, you can join, switch, or drop a Medicare Health Plan. What’s Next: Exploring Your Medicare Options provides a venue to hear presentations and meet with a variety of organizations and health insurance specialists to help with their decision-making. This event will also include presentations on healthcare topics, and we will be filling our lobby and coffee bar area with vendor tables of various organizations and services in the community that assist with Medicare and other senior resources.

We believe your organization has much to offer to the community and this event gives you the opportunity to come to one place to talk with many individuals who are seeking information. As a tabling sponsor, your organization will not only be supporting the Bellingham Senior Activity Center, but you will have the opportunity to promote your services to the people of the community. You will be given a table and space to promote your services, and advertising to our member base in senior centers throughout Whatcom County.

The cost to secure a vendor table is \$150 per date (\$50 for non-profit organizations) or \$400 (\$130 for non-profit organizations) for all four dates. We encourage you to attend all four.

We are all looking forward to these events and we hope to have you be a part of them! Please contact me with any questions you may have.

Best,

Eric Pierson
